

## INTERNATIONAL BACCALAUREATE EXAM CREDIT

### 2001-2005

#### Overview:

In February 1990, the Academic Senate adopted a credit policy regarding the International Baccalaureate Program.

1. The International Baccalaureate Diploma shall be considered in lieu of a high school diploma for admission to the University.
2. Credit will be awarded for classes at the **Higher** level.
3. For each exam score of 5 or higher, a maximum of 8 units of elective credit shall be awarded.
4. Course-specific credit may be granted with the concurrence of the academic department.
5. All credit is given on a credit/no credit basis; no units are calculated into the GPA.

**The academic departments have recommended specific credit for the following exams:**
