

## INTERNATIONAL BACCALAUREATE® (IB) CREDIT for 2008 Exams

In order to ensure IB credit is both accurately and appropriately applied for incoming students at CPSU San Luis Obispo, the review process will change for this upcoming year.

After careful evaluation of the 2007 International Baccalaureate Exam Credit matrix, review of information provided by IB North America, consideration of the number of students taking the exams and the optimal use of available resources, *it has been decided to not produce an IB matrix for 2008.*

Instead, students who have taken IB exams and wish to request additional credit granted should *petition* once on campus and in consultation with their advisors.

Please note, the credit policy adopted by the Academic Senate at Cal Poly in February 1990 still applies, namely:

- The IB Diploma shall be considered in lieu of a high school diploma for admission to the University.
- Higher level IB exams are passed by earning a grade of 5,6 or 7.
- Exams passed will earn course credit and/or elective units for a maximum of 8 units per exam.
- Passed exams earn a Credit (CR) grade and are not calculated in the GPA.
- Standard level IB exams are non-baccalaureate level and do not earn degree credit.

Additionally, IB exam results can be requested from IB North America in one of three ways:

- By email at [transcripts.ibna@ibo.org](mailto:transcripts.ibna@ibo.org)
- By phone at (212) 696-4464, or
- By fax at (212) 889-9242
